

Cordless rotary polisher 18.0 V

PE 150 18.0-EC

Order number 459.062

Technical attributes

Max. polishing pad diameter	160 mm
Max. back-up pad diameter	150 mm
No load speed	150-1450 rpm
Battery voltage	18 V
Battery capacity	2,5 / 5,0 Ah
Size (W x L x H)	395 x 84 x 117 mm
Weight without battery	1,9 kg

Standard equipment

1 hook-and-loop pad 150 Ø	350.745
1 handle	252.721
1 carrying case L-BOXX® 238	414.093
1 case insert	459.534

Cordless rotary polisher 18.0 V

- + Ideal for automotive, maritime and aviation applications
- + Polishes with low speed and high torque, e. g. for heat-sensitive surfaces
- + Innovative combination of planetary and angular gears reduces noise to an absolute minimum
- + Brushless motor with greater efficiency and a longer service life
- + Continuous speed control trigger: for a gentle start and a lock-on for continuous operation
- + Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- + Flat gear head reduces distance to the surface. The machine can therefore be operated safely in any position.
- + Grip hood: ergonomically shaped with SoftGrip. The machine can be controlled with precision and is always comfortable yet secure to hold.
- + With rubberised resting bar for safe setting down
- + Spindle lock: It is ideally positioned to prevent operating error and does not interfere with the grip area.
- + LED battery capacity display
- + FLEX battery system: suitable for all FLEX 18,0 V battery packs. Delivery does not include battery and charger
